

Patching

```
composer require cweagans/composer-patches
```

```
"enable-patching": true,  
"patches": {  
  "drupal/core": {  
    "Change the LB Add block link text to understand in which region the block will be  
placed": "https://www.drupal.org/files/issues/2024-07-10/drupal-3460462-9.patch"  
  }  
}
```

Revision #2
